SECTION 1. WARRANTY DESCRIPTIONS

Your BP SOLAR Product may have one or more of the following warranties. See the Warranty Information Chart above to determine which warranty or warranties applies to Your BP SOLAR Product.

- A. Limited Warranties of Materials and Workmanship:
5-Year Limited Warranty of Materials and Workmanship
2-Year Limited Warranty of Materials and Workmanship

If Your BP SOLAR Product comes with a Limited Warranty of Materials and Workmanship, BP SOLAR warrants that for the term of your warranty (see Warranty Information Chart) Your BP SOLAR Product sold hereunder shall be free from defects in materials and workmanship. If, during the term of your warranty, there is such a defect, then BP SOLAR will, at its sole option, repair or replace Your BP SOLAR Product with an equivalent product, or refund the purchase price to you.

This Limited Warranty of Materials and Workmanship does not warrant a specified level of power output. The Limited Warranties of Percentage of Specified Power Output described below may warrant power output. The term of your warranty is for the length of time stated in the name of your warranty type measured from the date of initial purchase.

- B. Limited Warranties of Percentage of Specified Power Output:
25 - Year Limited Warranty of 80% of Power Output
12 - Year Limited Warranty of 90% of Power Output

IF YOUR BP SOLAR PRODUCT comes with a Limited Warranty of a Specified Power Output, BP SOLAR warrants Your BP SOLAR Product against defects in materials and workmanship that result in Your BP SOLAR Product's failure to produce your warranted percentage (see Warranty Information Chart) of the minimum power output specified in BP SOLAR's applicable written specifications, for the term of your warranty (see Warranty Information Chart). If BP SOLAR determines, using standard BP SOLAR test conditions, that Your BP SOLAR Product is not providing your warranted percentage of its specified minimum power output during the term of your warranty, then BP SOLAR will, at its sole option, repair or replace Your BP SOLAR Product, or provide you with additional component(s) to bring the aggregate power output to at least your warranted percentage of the specified minimum power output. The term of your warranty is for the length of time stated in the name of your warranty type measured from date of initial purchase.
